Diocesan Annual Appeal Update: The Diocesan Annual Appeal has begun. Our parish target this year is \$10,000. So far we have raised only \$3,300 from 23 Parishioners. The average gift is therefore is \$143.00. There are more than 23 families registered at St Michaels.

If you have not received a Diocesan Appeal Envelope in the mail or your name is not included with the envelopes at the back of the church , please take one from the Appeal Display. Our Parish Number is #60. Please give generously. In pew envelopes are at the back of the Church with your name on them. Extra envelope are also available in the Appeal Display.

There is a considerable way to go to meet our target for this years Diocesan Appeal. A failure to meet the target will result in the difference being removed from our parish account. The average Sunday collection for St. Michaels is between \$2,500—\$3,000. Therefore the outstanding Appeal total is equivalent to the average Sunday collection for two or three weeks. The parish can not easily afford to lose two weeks of collections and maintain a reasonable balance for repairs, maintenance and improvements. Please make your contribution to the Diocesan Appeal today!
