A Message From Bishop Bambera

As you may already know from media reports, the Diocese of Scranton has been the subject of a statewide Grand Jury investigating child sexual abuse in six of the eight dioceses in Pennsylvania. Public release of the report is expected in the coming weeks.

I want to take this opportunity to offer my deepest apologies to the victims of such abuse, to their families, to the faithful of our Church and to everyone impacted by the behaviors described in this report. While difficult to face, this is the only way for us to move forward in a more positive way as we learn from the past.

You will be kept apprised of new developments through various channels of communication as more information is released. Once again, I am deeply sorry for these past actions and the pain caused by the behaviors described in the report, and I will continue to do all that I can to ensure the safety and well-being of our children.
